5th February 2017: Ghaf Plantation on National Environment Day, UAE

As part of Year of Giving, DulSCO decided to plant Ghaf trees for every sustainable message that was posted in the plastic bottle wall during EcoWaste 2017 exhibition.

DulSCO received 270 messages and will be planting 270 Ghaf trees across UAE in association with various government agencies, communities including students.

The tree planting campaign was initiated on Feb 5th to support the UAE National Environment Day. Every region in UAE, where DulSCO operates, planted a Ghaf tree outside the office building.

14 Ghaf trees were also planted in RAK accommodation as part of QHSE week.
